Kiangsu-Chekiang College (Kwai Chung)

35th Speech Day cum Musical

Synopsis :

STEAM education is a definite buzz word in the teaching and learning world these days and KCCCKC isn't backing down to the challenge of letting students know everything about it. Certain students are excited, especially, Sera, Kennis, and Lawrence, who are now at the final round of the very first robotics competition. To win it, they must all work hard together if they wish to achieve their goals.

Will their teamwork pave way for them to win or are their differences too much to handle?

Date: 26th Oct. 2018
