## THE 41<sup>st</sup> SPEECH DAY

### School Supervisor's Speech by Mr. Paul Tao

10<sup>th</sup> May, 2024

Mr. Cheung, Mr. Chang, Vice Chairmen and Directors of the Association, School Managers, Dr. Leung, Dr. Yu, Distinguished Guests, Parents, Teachers, Graduates and Students,

Today we are gathered here to celebrate the graduation of the class of 2024 of our school, together with their proud parents and the whole school body. It is a significant milestone in the lives of the graduates before us and we celebrate, with pride and joy, their time here at Kiangsu-Chekiang College Kwai Chung and all their accomplishments, hard work and memorable times within this school before they leave us in the summer and go onto their future careers or studies.

However, as we embrace the excitement and anticipation that graduation brings, we also find ourselves bidding farewell to someone who has been an integral part of the school community over the last decade, and that is our Principal, Dr. Thomas Leung. After 10 remarkable years of tireless service and outstanding leadership, we say goodbye at the end of this August to a visionary, caring and energetic educator who has left an indelible mark on the fabric of our school. Under the guidance of Dr. Leung, our school has flourished and has transformed itself for the better. Over the years, our students' academic results have improved remarkably thanks to the hard work of all the teachers and the students, whilst the traditional strengths and culture of our school in Chinese, Mathematics and the Sciences have been retained. You will see all around you the impressive upgrades in the classrooms such as the new DT and Innovation Centre, the Metaverse Lab, the Campus TV and Media Corner within the library, as well as the IT facilities now in every classroom, the upgraded staff rooms, cafeteria and Entrance Hall which reflect and showcase the school's over 40 years of history, culture and accomplishments. We now also have regular exchange programmes with new top level sister schools in Shanghai and Nanjing. Dr. Leung has also nurtured and paid particular attention to the students' well-being and overall personal and intellectual growth. None of this would have been possible without the strength of all the teachers and staff who work with Dr. Leung. But I wish to take the opportunity today, on behalf of our Sponsoring Body, on behalf of the IMC, and personally to thank Dr. Leung for his leadership and dedicated service to this school and to wish him all the very best in the future.

It also gives me great pleasure to introduce the new Principal who will be taking over the leadership of the school at the beginning of September. He is someone who is well known to you. Fully in accordance with the guidelines set by the EDB, our school IMC started the search process for a new Principal in the autumn of last year and appointed a Selection Committee to openly advertise and recruit suitable candidates from schools all over Hong Kong who were interested and had the ability to take up the post. After several months of in-depth interviews of numerous candidates, all of whom were highly qualified with many years of experience, the Selection Committee eventually made their recommendation to the school's IMC, which then gave its approval and reported to the EDB. It was felt that Dr. Yu Kit Wing, who is our current Vice Principal, was the most suitable person amongst all those candidates who applied for the post. I warmly congratulate Dr. Yu on his appointment to the Principalship, please join me in giving a round of applause to him.

Dr. Yu brings with him a wealth of experience, a deep understanding of our school's ethos, and a strong commitment to our students' success. He has already been in leadership positions for a number of years, has a passion for education, and is dedicated to fostering an environment that encourages academic excellence and personal growth. Under his guidance and leadership, I am confident that our school will continue to thrive and reach new heights.

As we embark on this transition, let us remember that change is not an end but merely a beginning. It is an opportunity to build upon the foundations that have been laid before us, to embrace new perspectives and to shape the future of this wonderful school. Together, as a united school community, we will support and encourage our new Principal that ensure that he and his team will have the necessary resources and empowerment that is needed to lead us to even greater achievements.

To the graduating class of 2024, as you prepare to step out to the world that is your future, remember that you carry with you the values, knowledge and friendships gained during your time at the school. Remember our school motto – "Be Orderly and Respectful" – as a reminder to plan ahead and be prepared for as much as you can, to look at critical decisions objectively, and not be distracted by emotion. You are not alone out there as your fellow schoolmates, your parents and family and also your former teachers will all be thinking of you. Work hard, contribute to your community, treat people respectfully and success will surely come and find you.

Finally, I wish to introduce our honoured alumnus guest speaker today – Mr. Cheung Ming Kit, Keith who graduated from our school in 2009 and went on to study at HK University of Science & Technology. His major was Biochemistry and he graduated from HKUST in 2012. Today he is the Environmental Protection Officer in Air Policy of the Environmental and Ecology Bureau of the Government of the HKSAR. It gives me great pleasure to welcome Mr. Cheung back to his old school today to give a speech to all of you at this wonderful ceremony.

Lastly, I would like to express my sincere gratitude to all our friends and guests for graciously sparing their valuable time to attend this ceremony. Following the conclusion of the ceremony, we have arranged several student performances, including speeches and musical presentations. I hope you will enjoy watching these shows.

Once again, thank you all for your presence. I extend my heartfelt best wishes to our graduates for a future that shines even brighter, and I wish all our esteemed guests happiness and good health. Thank you.

# Kiangsu-Chekiang College (Kwai Chung)

## THE 41<sup>st</sup> SPEECH DAY

### School Report by Dr. Leung Kin Man, the Principal

10<sup>th</sup> May, 2024

Mr. Cheung, our esteemed guest of honor, Chairman Chang, Supervisor Mr. Tao, Vice-Chairmen, Directors of the Association, School Managers, Distinguished Guests, Teachers, Parents, and Students,

I would like to express my gratitude to Mr. Tao for his kind words regarding myself and our teachers. Providing quality education is not only our responsibility but also a shared mission among all staff members at KCKC. I am confident that under the guidance of our new Principal, Dr. Yu, and with the dedication of our entire staff, our school will continue to achieve even greater success. Allow me to present a brief report on the latest round of DSE results, specifically those obtained by the graduating Class of 2023.

The Year 2023 cohort encountered numerous obstacles, including school suspensions during the social movement in Forms 2 and 3, as well as disruptions caused by the COVID-19 pandemic in Forms 4 and 5. Approximately half of the students in this cohort spent time at Penny's Bay isolation camp. Fortunately, the number of infections remained low, and all affected students have since made a full recovery. Consequently, the DSE results for the Class of 2023 were not as impressive as those of previous years. Nevertheless, we still witnessed commendable achievements among the students who took the DSE. The overall passing rate stands at 86.9%, with a 100% passing rate in Mathematics Extended Module 1, Chinese History, and Physics.

Most subjects demonstrated substantial "Value Addedness." The four Core subjects, Chinese, English, Mathematics, and Liberal Studies, collectively achieved Level 6. Subjects with the highest Value Added Scores include Mathematics (8), Chinese History (7), and English (6).

The highest DSE score obtained was 24 marks in six subjects by Mr. Ku Sze Yuen, who has been accepted into the University of Hong Kong to pursue a major in Science. Approximately 96.3% of our graduates have chosen to pursue tertiary education. These figures reflect their enthusiasm for learning and readiness for higher education.

I would like to extend my heartfelt congratulations to our Form 6 students. Today marks the completion of your six-year journey in secondary school, as well as the beginning of a new chapter in your lives. Based on your exemplary learning attitudes, I am confident that you will achieve even better results than the previous cohort. While awaiting your results, I encourage you to continue your pursuit of knowledge and personal growth.

You are always welcome to return to your alma mater as part-time tutors or simply to visit your teachers. KCKC holds countless cherished memories, including the Pre-Form 1 interviews, assemblies, Christmas singing contests, examinations, and inter-class competitions. As in the past, your future path will be filled with excitement, uncertainty, joy, and challenges. However, I assure you that with your growth and maturity, you will overcome any obstacles you encounter along the way. When faced with even greater challenges, I urge you to remember the encouragement from your teachers and draw inspiration from the ways in which you have previously succeeded, much like other successful alumni.

Today, we are truly honored to have Mr. Cheung as our guest of honor, presenting certificates and serving as a role model for all of you. Mr. Cheung is a distinguished alumnus of our school. He pursued a science stream until Form 7 and subsequently gained admission to HKUST in 2009. He now contributes his expertise to the Environmental Protection Department of the Hong Kong government, specializing in air pollution. We are grateful to have Mr. Cheung here today, delivering a speech and presenting awards to our graduates. Thank you, Mr. Cheung.

As I reflect on my ten years of service at KCKC, I am humbled by the vast amount of knowledge and experiences gained during this time. Through the collaborative efforts of all our teachers, we have made significant progress. I would like to express my deepest appreciation to the entire staff team of KCKC, the Directors of the Association, Supervisor Mr. Fan, and Mr. Tao for their unwavering support throughout the past decade.

Lastly, I would like to express my gratitude to each and every one of you for joining us in this momentous occasion. I extend my best wishes to our graduates for an even brighter future, and I wish all our esteemed guests happiness and good health. Thank you.

我們畢業了！

五月之星生日會

親愛的「山下6A」班：

畢業對於每一個人來說都是一個重要的時刻。這意味著你們要離開學校，開始新的旅程。這也意味著要離開曾經一起走過三年高中歲月中的同學和老師，開始一段新的人生旅程。你們在這三年的時間裡，由一群沒有多大人生目標的小羊，變得有目標和有方向。這三年的時光，留下了無數珍貴的回憶。

但是，畢業並不是結束，而是一個新的開始。你們將會面對各種挑戰和困難，緊記著，你們要堅定自己的信念和價值觀，勇敢地走出一條屬於自己的路。最後，祝福你們在未來的人生旅程中，能夠實現自己的夢想，加油，「我的山下一群小羊」！

祝福你們前程似錦！

惜別時刻

準備起跑

各位 6B 同學：

恭喜你們中學畢業了！

葵蘇列車已把大家送抵中轉站，祝願大家順利找到自己要轉乘的列車前往目的地。若你把握到上車時機繼續前行，老師為你歡欣鼓舞；若你選擇重新裝備再趕上路，老師欣賞你的毅力勇氣；若你選擇暫停，徒步慢行，老師支持你找到適合的方向。

無論你的下一站選擇往哪裡，只要問心無愧，便已足夠。再次祝願 6B 同學一路順風，珍惜沿途遇上的你我他、景事物。

祝福大家旅途愉快！

6B 班主任  
林少珠老師

迪士尼留影

投入活動

親愛的 6B 畢業班同學：

恭喜你們順利完成中學學業，即將踏上新的人生旅程！

當你們面對挑戰和逆境時，不要輕易放棄。無論前方的道路有多曲折，請堅信自己的能力，相信夢想的力量，勇敢地面對困難，永不放棄追求夢想。努力奮鬥，展現你們的才華和熱情，相信自己能夠創造美好的未來。

畢業並不是終點，而是新起點，在新的征程中，記得保持謙遜和耐心，學習成長，不要只顧忙著追逐目標，也要懂得珍惜眼前的人和時光，與他人攜手前行共同創造美好的回憶。

祝福你們畢業快樂，前途無限美好！

我的中六C畢業同學：

恭喜您們終於完成人生一個小階段。小學六年，中學六年，相信您們還有很多個六年，下一個六年您會在那裡成長？

今天您們畢業是中學階段的終結，亦是面向新挑戰的開始。社教化~指習得合乎社會期望價值、技能和行為，以成為特定社會成員的終身過程。您們在蘇浙發展了完備的社交技巧，強化了個人身份認同。您們將來在所屬學校將被甄選，培訓成才，在社會上不同階層服務以回饋社會，這是您們的使命，生命的循環。

現今面對世界的挑戰沒有最多只有更多，但機遇也是無限。面對將來的挑戰，您們必須選定目標，鎖好信念，裝備自強，始能勇往直前。無論成與敗您們都要搏盡無悔。相信自己，此能強化，互相勉勵，才能共鳴。

在此送您們三個性，一：接近性，「近水樓台先得月」，人同人在居住、工作或生活空間愈接近，愈易建立友誼，這是機會要珍惜。二：相似性，「物以類聚」彼此興趣、態度、價值觀、性格特質相近愈易被吸引，這份難得要維繫。三：互補性，關係維繫有賴彼此的滿足，遇上一個跟自己互補的朋友，大家的差異能互補不足時，此能互相吸引，這屬緣分要共勉。

祝願大家搏盡無悔。

你們的六C班主任  
徐家英老師(老徐)

一起走過 Ocean Park

Dear 6C Graduates,

*Don't Panic, Dreams Come True:  
Encouraging 6C Students to Pursue*

*Congratulations! You have reached a significant milestone, and I am incredibly proud of each and every one of you for your perseverance and determination.*

*Embrace challenges and obstacles that may seem daunting, but remember that you have the strength and capabilities to overcome them. Believe in your abilities and trust the knowledge and skills you have acquired throughout your years of study in KCCKC. You have already demonstrated your capabilities in various activities, and now is the time to showcase your true potential.*

*Don't panic, even when the workload seems overwhelming. Break it down into smaller, manageable tasks, and tackle them one step at a time. Remember that success is not always about achieving perfection, but rather about making progress and learning from your experiences.*

*Believe in yourself, 6C boys and girls. You have the power to make your dreams a reality. Keep pushing forward, stay determined, and know that you have a whole school rallying behind you. I have complete faith in your abilities, and I am excited to witness the incredible things you will achieve.*

*Wishing you all the best in your upcoming DSE exams and beyond.*

*With warmest regards,  
Mr. Chong  
6C Assistant Class Teacher*

歷奇活動 - 團結就事成!

親愛的中六畢業同學們：

當我們踏上這段畢業的旅程，我們應該心懷感激和驕傲。這些年來，我們一起經歷了許多挑戰和成長。

畢業並不是終點，而是新的起點。現在，我們將面臨更大的世界，更多的機會和挑戰。面對未來的挑戰，我們需要堅定的信念和勇氣。無論你們選擇哪條路，請相信自己的能力並持之以恆地努力奮鬥。成功不是一蹴而就的，但堅持不懈的努力將帶來美滿的成果。

在你追求夢想的同時，也要學會感恩和回饋社會。請不要忘記身邊的家人、朋友和老師們一直在我們身邊支持著，他們的關懷和愛是我們成長的動力。

最後，不要害怕失敗。失敗是學習和成長的機會，它們塑造了我們的品格。勇於嘗試新的事物，接受挑戰，即使遇到困難也不要輕易放棄。相信自己，勇往直前！

祝你在人生的新的階段，繼續保持積極向上的態度，取得更大的成就。祝願你成為一個有知識、有智慧、有品德的人。

「Alone we can do so little ; together we can do so much.」

我們這一班：在努力學習中成長，成就了許多的可能性

還記得三年前，我成為了大家的班主任，對於我來說，在疫情下要真切的認識每一位，實在是一個挑戰。究竟時下年輕人喜歡些什麼呢？聽說一般青少年都喜歡網絡遊戲，但自己又不認識，如何跟你們打開話匣子呢？學生會嫌棄我太老氣嗎？初中的時候，也沒教過你們，似乎跟你們一點關聯也沒有.....心裏的困惑不斷盤旋。於是，我選擇了主動認識每一位，一邊了解大家的興趣、家庭情況和學習需要，一邊努力學習，改進自我，希望能找到彼此相處的最佳位置。

印象最深刻的是，在中四公民與社會發展科課上進行的聖誕聯歡會，在一連串遊戲及互動中，老師看見大家率真的笑臉，也發現了同學們的不同個性：有的看似其貌不揚，但頭腦卻靈活得很，解難能力亦高；有的平日看似冷漠秋動，但卻積極投入班會活動，發揮無限的創意；有的看起來吊兒郎當，但做起事來卻是認真又有條理。我發現：大家並非沒有才能，只是欠缺發揮的機會和信心。

於是，我必須要做的是：鼓勵大家為自己設定力所能及的目標，並勇於嘗試，堅持努力，更重要的是，讓家長也能看見你們在努力中成長。三年一眨眼就過去，你們在這短短的幾年確實成長了不少：由改掉遲到、缺席、欠交功課的壞習慣，到主動參與課堂活動，再達唱比賽先後囊括了班際比賽、合唱及獨唱組別的冠軍，在陸運會中也拿下班際接力賽的獎項，這一切並非單靠老師的輔助，而是全憑個人的意志和努力才能成功！真的要感謝大家，因為你的努力和進步，讓老師的教學生涯更添色彩和欣慰！

今天，大家即將離開中學校園，各奔前程，無論是升讀不同的院校，還是投身社會，大家也要秉持「盡力而為」的態度，不必與其他人比較，但必須突破自己，在各個領域上努力學習，不斷進步，追求卓越，這才是教育的最大價值。共勉之。

From left to right: Au Ho Shun Alex,  
Chan Hei Alex, Lam Cheuk Wang Daniel,  
Chan Hiu Lam Anton

# 中文朗誦

表演者：2C 張馨月 陳秋桐 馬婧雯 吳海頤 蔣宜潤 溫偉濤 邵艷格格

(一) 《將進酒》 作者：李白

君不見，黃河之水天上來，奔流到海不復回。  
君不見，高堂明鏡悲白髮，朝如青絲暮成雪。

人生得意須盡歡，莫使金樽空對月。  
天生我材必有用，千金散盡還復來。  
烹羊宰牛且為樂，會須一飲三百杯。  
岑夫子，丹邱生，將進酒，杯莫停。

與君歌一曲，請君為我傾耳聽。  
鐘鼓饌玉不足貴，但願長醉不復醒。  
古來聖賢皆寂寞，惟有飲者留其名。  
陳王昔時宴平樂，斗酒十千恣歡譁。  
主人何為言少錢，徑須沽取對君酌。

五花馬，千金裘，呼兒將出換美酒，與爾同銷萬古愁。

後排左起：溫偉濤 蔣宜潤 邵艷格格 陳秋桐  
前排左起：馬婧雯 張馨月 吳海頤

表演者：4B 施曉樑

第 75 屆香港學校朗誦節 (2023)  
粵語詩詞獨誦獲個人獨誦季軍

(二) 《燕姬曲》 作者：薩都刺

燕京女兒十六七，顏如花紅眼如漆。  
蘭香滿路馬塵飛，翠袖籠鞭嬌欲滴。  
春風淡蕩搖春心，錦箏銀燭高堂深。  
繡衾不暖錦鴛夢，紫簾垂霧天沉沉。  
芳年誰惜去如水，春困著人倦梳洗。  
夜來小雨潤天街，滿院楊花飛不起。

(三) 《風入松》 作者：吳文英

聽風聽雨過清明，愁草瘞花銘。  
樓前綠暗分攜路，一絲柳、一寸柔情。  
料峭春寒中酒，交加曉夢啼鶯。  
西園日日掃林亭，依舊賞新晴。  
黃蜂頻撲鞦韆索，有當時、纖手香凝。  
惆悵雙鴛不到，幽階一夜苔生。
