

Announcement by Kiangsu Chekiang and Shanghai Residents (Hong Kong) Association

September 16, 2026

Regarding the recent reports on newspapers and social media concerning the student recruitment of our subsidiary school Kiangsu-Chekiang College, the Association, as the school sponsoring body, hereby issues the following statement:

Our member schools (including Kiangsu-Chekiang College) have never delegated any admission authority, both locally and in the Mainland, to any external individuals or organizations, nor have we ever made any guarantee or promise of admission to any individual or organization.

All students who wish to apply to our schools must undergo the schools' formal and open assessment procedures and only those who meet the required standards will be considered for admission. The schools strictly prohibit any form of exchange of benefits during the student admission process.

The Association reserves the right to pursue legal action against any individual or organization that makes false statements using the schools' names or engages in fraudulent activities by falsely assuming the schools' identities.
